

Hello Class 3,

Here are a few activities for you to do today on our SNOW DAY (Wed 13th Jan)

Miss Colby

Literacy

Our target this term is to use interesting describing words.

Draw your own monster which could be found at Dundry in the snow

Around your picture write interesting sentences about the monster using describing words. e.g

He crunches through the sparkling snow.

Quickly he leaps over the stony crumbling wall.

Try to include how they move, what they do, the noises they make. Remember that nice, really, went and said are not very interesting words.

Numeracy

In year 3 we have been looking at numbers which total 100.

In year 4 we have been looking at doubling numbers.

Year 3

What do you need to add to these numbers to make 100?

a.25 b.45 c.75 d.55 e.30 f.95 g.5 h.20 i.67 j.42 k.79 l.34

Year 4

Double these numbers

a.25 b.45 c.75 d.55 e.30 f.95 g.5 h.20 i.67 j.42 k.79 l.34

Hexagon group can you triple the numbers? (means $\times 3$ e.g. $a.25+25+25$)

Year 3 and 4 Revision of Telling the time

Woodlands Junior link on our website, go to Maths Zone, then go down the page to Measure Skills, then click on Time, Try the three different games called Stop the Clock. What is the fastest time you can get?

Science

If there is a torch you can use (ask permission). See what shadows you can make. How do you make a shadow bigger or smaller? What objects in your house make the strangest shadows? Can you find out the difference between a shadow and a reflection?
