Happy New Year

Welcome back to school and Happy New Year! It's been great to hear all of the children's Christmas stories. It seems a good time has been had by all.

A quick reminder about things coming home over the next few days. Willow Class will start their swimming lessons next Tuesday. Please make sure you return your permission slips as soon as possible.

Also, please look out for clubs letters. There are a few clubs remaining the same, but in order to offer a variety of clubs throughout the year, some clubs have changed.

Film Club will continue to run for those children who are already members. If an existing member would like to

stop attending, please can you let me know so that I can offer their place to new members.

Thank you to all those parents who pay for their child's school meal in advance. Can we remind everyone that our policy is that all meals must be paid for in advance or at the time of sale, ie the morning they are ordered.

Finally, we're having the fence to the pond moved to create a seating area near the pond. This is a direct request from the children, who enjoy watching the wide variety of wildlife we have in the pond.

My best wishes for a Happy New year,

Rhiannon Price
