Regular Updates

Each class will send home a copy of the topic web telling you about what your child will be learning by the end of the 2nd full week of Terms 1, 3 and 5.

Information about class routines will be sent home by the end of the first full week of school in September. These are also available on the school website.

The Dundry Days will continue to be sent home weekly. It is also available on the school website every Friday. If you would prefer to read it online rather than receive a paper copy, let Julie know.

The school website is regularly updated. You can find leaflets to help you support your child at home, a copy of the prospectus, newsletters and urgent letters. Each class has their own web page so you can find out what they've been doing.
